Dear Colleagues

We are looking forward seeing you at our fifth Frimley Health and Care Integrated Care Partnership (ICP) Assembly meeting which will take place next week on **Tuesday 5th December between 9am and 12pm at the Open Learning Centre, Bracknell, RG12 7GR.**

Please feel free to join us from 08.45am for arrival and coffee and a chance to connect with colleagues and partners from across the system before we get started at 9am.

Our face-to-face session will build on the work we have done together to refresh our ICS strategy and to identify our priorities, which are being implemented through our system arrangements. Following on from feedback from ICP Partners and connecting to our ICS Strategy, we are delighted to use this opportunity to explore an issue that affects us all, through a broader system lens, thinking through working together for bigger impact. We have already identified that Leadership and Culture is core to the delivery of our system ambitions, and we will be using this ICP as an example of how we can make a difference when aligned on collective action. We will also have some time to hear from NHS Frimley on their developing operating model and have the chance to help shape the thinking.

The focus of this ICP workshop will be **exploring our system commitments and actions to achieving our Equality, Diversity and Inclusion Ambitions.** This is a workshop so expect plenty of discussion as we use this example to identify the opportunities we want to work on together.

Please find attached an agenda for the session.

Thank you to everyone who has already confirmed their attendance, for those of you who have not yet done so, please can we ask you to confirm your attendance as soon as possible and respond to the invitation that has come from the Frimley Corporate Calendar. Confirming you attendance will allow us to more effectively manage the logistics on the day and to finalise the numbers for catering.

We look forward to welcoming as many of you as possible to the Assembly next week.

With very best wishes

Start date: Wednesday, August 7, 2024 12:00:00 AM

Due date: Wednesday, August 7, 2024 12:00:00 AM

Hi [redacted]

We will need some more time and information to be able to fully respond to this. We currently don't know where the proposed locations are which we will need before we can even begin to model how this influences our response model. We also do not have the capacity to undertake this currently, and it will likely be towards the back end of September before we are able to provide them with a more detailed impact analysis on our service.

Kind Regards

[redacted]

Hi [redacted]

We need to respond to the review attached. Could you please liaise with [redacted], who has some of the additional details we've requested, to support and draft our response?

Thank you.

Best wishes

Hi [redacted]

Please find attached the NHP Catchment review, which should provide the following information

The paper is substantial and encompasses the following:

· links to the maps and a description

· a Market assessment summary & comparison of the options and their ranking

· An assessment for Health Inequalities and comparison of the options

· background to NHP

· detail regarding key population and site characteristics, which supports the ranking.

· Detail regarding Health Inequalities and impact by locality and characteristics

· A review of Market Share & strategy considerations

· Consideration of site selection upon bed requirements and the impact of system transformation (Allocative Efficiency)

· A brief consideration of the impact upon Specialised Services

Kindly review the same and let us know your feedback and any impact on your services .

Kind Regards

[redacted]

Dear Colleagues

We are looking forward seeing you at the Frimley Health and Care Integrated Care Partnership (ICP) Assembly meeting which will take place on **Wednesday 26th March between 10.00am and 1.00pm in the Main Hall at Binfield Community Centre Wood Lane, Binfield, Berkshire, RG42 4FS**

Please feel free to join us from **09.30am** for arrival and coffee and a chance to connect with colleagues and partners from across the system before we get started at 10am.

The focus of this ICP workshop will be **exploring our system response to Reconnect, Reset and Rebuild and the New Hospital Programme**

This is a workshop so expect plenty of discussion as we use this example to identify the opportunities we want to work on together. We will:

- Build on the research that has been undertaken and explore the recommendations in the context of our system.
- Use the 3 Horizons model to vision the future together for our system.
- Develop our commitments and actions, as a system and partners, to respond to challenges.

Please find attached an agenda for the session. To make the most of our time together we have also attached the following :

- Link to a short, 6 min video which is a useful introduction to the 3 Horizons Model we will be using on the day https://www.youtube.com/watch?v=p90ZTg0svmM
- The New Hospital Programme: Plan for implementation Published 20 January 2025 New Hospital Programme: plan for implementation - GOV.UK

Thank you to everyone who has already confirmed their attendance, for those of you who have not yet done so, please can we ask you to confirm your attendance as soon as possible and respond to the invitation that has come from the Frimley Corporate Calendar. Confirming your attendance will allow us to more effectively manage the logistics on the day and to finalise the numbers for refreshments.

We look forward to welcoming as many of you as possible to the Assembly next week

With very best wishes.

Dear Colleagues

We are looking forward seeing you at the Frimley Health and Care Integrated Care Partnership (ICP) Assembly meeting which will take place on **Wednesday 24 September between 10.00am and 1.00pm in the Main Hall at Binfield Community Centre Wood Lane, Binfield, Berkshire, RG42 4FS**

Please feel free to join us from **09.30am** for arrival and coffee and a chance to connect with colleagues and partners from across the system before we get started at 10am.

The focus of this ICP workshop will be to discuss the future ICB model and role as Strategic Commissioner (including building a new Thames Valley ICB and safe transfers to neighbouring ICBs), explore the opportunities to progress our joint working through the changes required, and discuss direction of travel.

We will:

• Share our design work and the plans in place to deliver the transition

• Discuss processes and timescales and the impact for the ICP

This is a workshop so expect plenty of discussion and to explore the opportunities to progress our joint working through the changes required.

Please find attached an agenda for the session.

Thank you to everyone who has already confirmed their attendance, for those of you who have not yet done so, please can we ask you to confirm your attendance as soon as possible and respond to the invitation that has come from the Frimley Corporate Calendar. Confirming your attendance will allow us to more effectively manage the logistics on the day and to finalise the numbers for refreshments.

We look forward to welcoming as many of you as possible to the Assembly next week

With very best wishes.

Binfield Health & Community Centre is located at the end of Wood Lane which is off Temple Way.

There are accessible parking spaces at the front of the building as well as EV charging points. There are a further 17 spaces close to the entrance of the building and an additional 31 spaces in the overflow parking which is outlined in red on the map below.

Binfield Health & Community Centre, Wood Lane, Binfield , Berkshire, RG42 4EX

Community Centre Map

The layout map shows the centre entrance marked by a red triangle. Each of the community rooms are outlined in green and can be accessed from the main foyer. The communal areas, which include toilets and changing places, are contained within the area outlined in purple.
