I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/15/04/31.

You requested the following information:

Can you please inform me, under the Freedom of Information Act:

1. How many staff your trust employs to carry out communications - i.e. public and media relations, PR, press office, marketing - work? Please provide a breakdown of job titles.

South East Coast Ambulance Service NHS Foundation Trust employs six members of staff in the Communications Department. The job roles are as follows:

Head of Communications

2. How many investigations your Trust has conducted into suspected leaks of information to the media between 1 January 2010 and today's date (24 April 2015). Please break down the information into years and provide details of the suspected leak - when it occurred, how it was investigated, which media outlet the information appeared in, whether the investigation was successful and what the outcome was (i.e. was anybody disciplined?) Please state whether police were involved in the leak investigation.

There have not been any such investigations.

I hope you find this information helpful.
