Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/15/05/01.

You requested the following information:

Please provide the following information under the Freedom of Information Act and the Code of Practice on Openness in the NHS.

1) Does the CCG commission NHS funded services for the assessment and treatment of Wet Age Related Macular Degeneration?

2) If the CCG does commission such services, please provide a list of providers commissioned for the following periods:

- 1st April 2014 – 31st March 2015
- 1st April 2015 – 31st March 2016

3) For each provider listed, please provide

- a copy of the pricing scheme agreed for the financial year 2015/16
- a copy of the contract or extract from contract and/or any variation thereof, or any service level agreement that covers the period 2015/16

We are unable to provide a response to these questions as we are an ambulance service; we treat patients at the scene of the incident and/or convey them to hospital. I would suggest that you contact the Clinical Commissioning groups directly.

I hope you find this information helpful.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECamb) Internal Review Procedure at:
