Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/15/06/07.

You requested the following information:

Could you please provide me with a breakdown of the total number of emergency and non-emergency response vehicles the organisation has within its service?

Could you please specify:

How many road ambulances?

302

How many cars?

197

How many air ambulances?

We assign the Kent, Surrey and Sussex Air Ambulance Service to incidents. This service operates two helicopters.

How many patient transport service vehicles?

158

How do these figures compare with 2005?

Unfortunately we do not hold any records of fleet numbers from 2005 as this was prior to the merger of Kent, Surrey and Sussex Ambulance Services to form South East Coast Ambulance Service. I hope you find this information helpful.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECAMB) Internal Review Procedure at:
