Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/15/10/29.

You requested the following information:

In the light of the recent ruling by the European Court of Justice that the Safe Harbour agreement is invalid, can you please supply the following information:

1) Does the South East Coast Ambulance Service store and process UK/EU citizen data in the US?

No.

2) If so, approximately how much UK/EU citizen data is stored in the US?

Not applicable

3) If so, which service provider is storing and processing that data?

Not applicable

4) If so, was the Safe Harbour Agreement Safe used to determine the “adequacy” of transferring the data to the US, under the Eighth Principle of the Data Protection Act?

Not applicable

5) If Safe Harbour was not used as an adequacy mechanism, what was the mechanism used to ensure compliance with the Data Protection Act?

Not applicable

I hope you find this information helpful.
