Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/15/11/04.

You requested the following information:

**I would like to request the following information under the FOI Act:**

**Any internal reports, emails, notes of meetings/conversations and other material relating to the re-assessment of calls designated as 'Red 2' (sometimes referred to as red 3) by NHS 111 operators.**

I am unable to provide this report or any other information requested at present on the grounds of the exemption contained within s22 of the FOIA- Information intended for future publication.

The report of the internal investigation into Red 3 will be published on the Trust's website by Friday 4 December. The published version of the report will be redacted to remove any personally identifiable information. Other material such as emails, notes of meetings etc. will not be published at this time as they form part of the Forensic Investigation being undertaken at the request of Monitor. We do not want to compromise the outcome of that investigation.

I hope you find this information helpful.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECamb) Internal Review Procedure at:
