Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/15/11/15.

You requested the following information:

For every emergency vehicle operated by South East Coast Ambulance Service NHS Foundation Trust in the 12 months from October 2014 to September 2015, please provide a copy of all MOT certificates issued, including Failure certificates and advisory notices.

We do not routinely scan MOT certificates, failure certificates or advisory notices. Therefore I regret to advise that we cannot provide any further information as requested on the grounds of the exemption contained within s.12 of the FOIA. To locate and scan the MOT certificates relating to all of the vehicles within our fleet, which as at 1st August 2015 was over 700 vehicles, would exceed the appropriate limit of 18 hours as set down in the guidance on the application of the Freedom of Information and Data Protection (Appropriate Limit and Fees).

I am sorry that I cannot be more helpful on this occasion.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECamb) Internal Review Procedure at:

South East Coast Ambulance Service NHS Foundation Trust

If I can be of further assistance to you, please do not hesitate to contact me, quoting the above reference number.
