Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/15/11/44.

You requested the following information:

Please provide a breakdown of the Patient Transport services provided for the East Sussex Healthcare Trust for the period April 2015 to September 2015 inclusive stating the number of journeys, the number of patients per transport vehicle, the number of vacant seats per transport vehicle and the frequencies of the collection and delivery points. If possible a list of patient collection points by town would also be useful.

From April 2015 to September 2015 South East Coast Ambulance Service NHS Foundation Trust carried out 25,070 journeys for East Sussex Healthcare Trust.

I have to advise that I am unable to provide any further information on the basis of the exemption contained within s43 (2) of the FOI Act (Commercial Interests). The Trust accepts that there is a public interest in how public money is spent; however there is also a need to withhold information that would prejudice the commercial interest of the Trust and/ or third parties. In assessing the public interest, the Trust takes the view that this would be the case in this instance. The Trust considers that this information, in conjunction with other information that might already or will be in the public domain, could lead to the commercial interests of the Trust together with the companies we use being adversely affected.

I am sorry that I cannot be more helpful on this occasion.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECamb) Internal Review Procedure at:
