Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/15/12/09.

You requested the following information:

Please can you from the CEO down, list the numbers of staff on each pay grade and spine point.

Eg Band 1, Point 1 = 1 x member of staff

And for each role in the Trust, please can you provide the corresponding job description and person specification and if possible the number of people in each role.

Example- Band 5, Paramedic x 1000

Please see attached our spreadsheet which shows all the job roles within our Trust and the bandings for these job roles. As there are a lot of job roles undertaken by one person we are unable to advise you of the spine point within the banding as this will provide confidential information relating to each job role. Our CEO, directors and non-executive directors are not included in the spreadsheet as they are not on Agenda for Change pay bands. Please see the following link for this information which is included in the Annual Report and Accounts:

http://www.secamb.nhs.uk/about_us/document_library.aspx?cat=33

Please click on Annual Report for 2014/2015 and the information you require is on page 146.

I am also attaching the Agenda for Change pay scales for April 2015 for your reference.

I regret to advise that we cannot provide any further information relating to job descriptions and person specifications as requested on the grounds of the exemption contained within s.12 of the FOIA. To obtain and provide this information would exceed the appropriate limit of 18 hours as set

down in the guidance on the application of the Freedom of Information and Data Protection (Appropriate Limit and Fees).

I hope you find this information helpful.
