Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/02/24.

You requested the following information:

**As my final year dissertation topic I am doing a literature review surrounding the effect of fatigue on vehicle operator reaction times. I would like to request any statistical data that you hold regarding Ambulance numbers that are involved in RTA's whether that be en route to hospital, a patients house, or simply minor bumps on station.**

Please see a response to a similar question which was provided in January 2016. All of our responses to Freedom of Information (FOI) enquiries are included on our FOI Disclosure Log. Please see the link below to the response and spreadsheet previously mentioned.

The above mentioned response and spreadsheet are titled 'Vehicle Collisions 2012-2015' and 'Vehicle Collisions 2012-2015 (att.) ' and are at the foot of the page.

I hope you find this information helpful.
