Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/02/06.

You requested the following information:

1. Who is responsible for Corporate Governance and who operationally manages it?

Geraint Davies-Director of Commissioning

2. Who is responsible for Clinical Governance and who operationally manages it?

Dr Rory McCrea- Medical Director

3. Who is responsible for the CIP (Cost Improvement Plans) and who operationally manages it?

David Hammond – Interim Director of Finance

4. Who is responsible for the PMO (Project Management Office or Portfolio Management Office or Programme Management Office) and who operationally manages it?

We don't have a Project Management or Portfolio Management Office. When we have a major project, a Project Lead is usually appointed from within the team or Directorate that is responsible for the project.

4. Who is responsible for your contracts with the CCGs and who operationally manages it?

Geraint Davies- Director of Commissioning

5. What Clinical Divisions do you have?

Our organisational structure is broken down into the following directorates:

Chief Executives Office
Medical Directorate
Workforce Directorate
Nursing Directorate
Chief Operating Directorate
Chief Clinical Directorate
Commissioning Directorate
Finance Directorate

I'm also looking for organisational charts of the teams below the Medical Director and the Director of Nursing (or variations of those job titles), to also include teams relating to Corporate/Clinical Governance, Patient Safety, PALS, Complaints, Risk, Assurance and Information Governance.

Please see attached our most recent organisational chart.

I hope you find this information helpful.
