Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/03/33.

You requested the following information:

Can you list for me all emergency response vehicles within the SEACamb fleet based at Sussex stations including details of manufacturer/model/year of manufacture for each vehicle, year of purchase by the service, purchase price and current mileage please?

Is it also possible to list all vehicles currently out of service and awaiting repairs with the same details as listed above?

Please see the attached spreadsheet which shows the requested information regardless of current status as any vehicles out of service will be repaired or disposed of. We repair our own vehicles but may sometimes use specialist contractors when needed.

I hope you find this information helpful.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECamb) Internal Review Procedure at:
