- 2. The type of pest which caused the call out - and the section area in the hospital that had the issue.**
- 3. The total amount of money spent on pest control call outs.**

**I would like this information broken down annually from January 2013 until the time my request is dealt with.**

**Pests can cover a wide range of creatures, including (but not limited to): ants, rats, mice, cockroaches, insects, fleas, maggots, wasps, bees, etc.**
