Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/04/49.

You requested the following information:

Could I perhaps ask for the below information under the Freedom of Information Act 2000 relating to the Trust's response to the 'Prevent duty' (Section 26 of the Counter Terrorism and Security Act 2015):

(1) The number of patients and staff referred to the CHANNEL Panel, broken down by age, ethnicity, gender and faith*, where this information is known.

One referral has been made to Channel. This referral was submitted in June 2015 and was for a muslim male in his 20's. We hold no further information regarding his ethnicity. No staff referrals have been made to date.

(2) The number of CHANNEL Panel information requests, broken down by age, ethnicity, gender and faith*, where this is known.

None

(3) Any information that the Trust holds sent to NHS England on Prevent or CHANNEL referrals.

Please see the response to Question 1.

(4) Any Trust guidance or policy on the implementation of the Prevent duty and related aforementioned duties.

Prevent is referred to within our Safeguarding Policy.

All staff received Prevent awareness training as part of their safeguarding during 2015/16 (e-learning) and frontline staff will be receiving Prevent training (face to face) during 2016/17.

I hope you find this information helpful.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECAMB) Internal Review Procedure at:

South East Coast Ambulance Service NHS Foundation Trust
