Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/06/26.

You requested the following information:

Can you give me the profile for the comparative last three years for the stores as listed in Rushmoor namely Farnborough and Aldershot to red level and the nature of the occurrence?

**Asda Farnborough
The Range in Aldershot
B&Q Farnborough**

Please see the attached spreadsheet which shows the number of Red emergency responses to Asda, Farnborough together with the nature of the problem as determined by the call taker whilst triaging the call. This may be different to what the crew find when they arrive on scene. The category of the call is also listed. Responses listed outside Asda or in the car park have been excluded.

Please see the table below which shows the number of Red emergency responses to The Range, Aldershot for the last three financial years. As the numbers are small we cannot provide the nature of the problem for these responses as this could be potentially patient identifiable information.

Financial Year	Red emergency responses to The Range , Aldershot
2015/2016	0
2014/2015	1
2013/2014	1

Please see the table below which shows the number of Red emergency responses to B & Q Farnborough for the last three financial years. As above as the numbers are small we cannot provide the nature of the problem for these responses as this could be potentially patient identifiable information.

Financial Year	Red emergency responses to B&Q Farnborough
2015/2016	0
2014/2015	3
2013/2014	1

I hope you find this information helpful.
