Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/07/07.

You requested the following information:

I work for Public Health England and I'm doing some analysis of ambulance data. I'm trying to find out what the population size is of the area you serve – as I understand from NHS England that until they publish official estimate in January this information is held locally.

South East Coast Ambulance Service NHS Foundation Trust covers a geographical area of 3,600 square miles which includes Kent, Surrey, Sussex and North East Hampshire. The population of this area is approximately 4.5 million.

I hope you find this information helpful.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECamb) Internal Review Procedure at:

South East Coast Ambulance Service NHS Foundation Trust

If I can be of further assistance to you, please do not hesitate to contact me, quoting the above reference number.
