Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/07/12.

You requested the following information:

**I am requesting a copy of the Trust's Conflict of Interest Register (or Declaration of Interests Register) and Gifts and Hospitality Register for the financial year 2015/16.**

We cannot provide a full copy of the Trust's Declaration of Interests and Gifts and Hospitality Register for 2015/2016 on the grounds of the exemption contained within s40(2) of the Freedom of Information Act (FOIA) 2000 – Personal Information.

Section 40(2) states:

Any information to which a request for information relates is also exempt information if-

- (a) it constitutes personal data which do not fall within subsection (1)\*, and
- (b) either the first or the second condition below is satisfied.

(3) The first condition is –

(a) in a case where the information falls within any of the paragraphs (a) to (d) of the definition of 'data' in section 1(1) of the Data Protection Act 1998, that the disclosure of the information to a member of the public otherwise than under this Act would contravene-

- (i) any of the data protection principles, or
- (ii) section 10 of that Act (right to prevent processing likely to cause damage or distress), and

(b) in any other case, that the disclosure of the information to a member of the public otherwise than under this Act would contravene any of the data protection principles if the exemptions in section 33A(1) of the Data Protection Act 1998 (which relate to manual data held by public authorities) were disregarded.

(4) The second condition is that by virtue of any provision of Part IV of the Data Protection Act 1998 the information is exempt from section 7(1)(c) of that Act (data subject's right of access to personal data).

\* subsection (1) states: Any information to which a request for information relates is exempt information if it constitutes personal data of which the applicant is the data subject.

Section 7(4) of the Data Protection Act 1998 states:

Where a data controller cannot comply with the request without disclosing information relating to another individual who can be identified from that information, he is not obliged to comply with the request unless—

(a) the other individual has consented to the disclosure of the information to the person making the request, or

(b) it is reasonable in all the circumstances to comply with the request without the consent of the other individual.

We cannot provide the requested information as we do not have the consent from the above named individuals to provide this.

However we can provide the requested information for our board of executive directors and non-executive directors.

Please see the attached document which shows the requested information for the financial year 2015/2016.

**I am also requesting the number of staff members who have been the subject of internal investigations or disciplinary proceedings in relation to purported conflicts of interest, or the failure to declare them, and the outcomes of these investigations or proceedings, also for the financial year 2015/16.**

There have been no investigations or disciplinary proceedings relating to the above.

I hope you find this information helpful.
