Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/09/41.

You requested the following information:

Can you tell me how many call-outs to the University of Sussex Falmer campus made in a) 2016, b) 2015, c) 2014 and d) 2013?

Can you list for me each incident including time of call-out and nature of incident?

Can you tell me how many of those incidents were for self-harm/suicide?

Can you tell me how many call-outs to the University of Brighton Falmer campus made in a) 2016, b) 2015, c) 2014 and d) 2013?

Can you list for me each incident including time of call-out and nature of incident?

Can you tell me how many of those incidents were for self-harm/suicide?

Please see attached our spreadsheets titled 'Responses to University of Sussex' and 'Responses to University of Brighton' which show the number of responses made to each university by month and year together with the reason for our attendance shown in the column titled 'Problem nature'. I would like to stress that these details are based on the information provided by the caller during the triage of the 999 call which may prove different to what our crews find when they reach the patient. The figures only include those responses to each university where Falmer was in the address.

We cannot provide the date and time of the response as this could be potentially patient identifiable information.

I regret to advise that we cannot provide information on incidents relating to self-harm/ suicide as requested on the grounds of the exemption contained within s.12 of the FOIA. To retrieve the information would necessitate manually searching through each patient record to see if this information has been recorded. This would exceed the appropriate limit of 18 hours as set down in

the guidance on the application of the Freedom of Information and Data Protection (Appropriate Limit and Fees).

I hope you find this information helpful.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECAMB) Internal Review Procedure at:
