Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/16/10/36.

You requested the following information:

1. How many ambulance call outs have there been to incidents at the following trampoline parks in the last five financial years? (Please separate by financial year: 2011/12, 2012/13, 2013/14, 2015/16)

**Sky High Trampoline Park, BN10 8JQ
Gravity Maidstone, ME16 8SF
Soar Trampoline Park, ME8 0RT
Fun Abounds, TN22 1QL
Airhop Trampoline Park, GU2 8XW**

**2. Please provide detail on each incident, if possible within the time limit.
E.g. 14 year old girl with head injury**

I can confirm that South East Coast Ambulance Service NHS Foundation Trust have not made any emergency responses to Sky High, Peacehaven or Soar Trampoline Parks during the financial years from 2011/2012 to 2015/2016.

The emergency responses made to Gravity, Maidstone, Fun Abounds and Airhop Trampoline Parks are shown on the attached spreadsheet broken down into months together with the problem nature of the response. However I must make you aware that the problem nature is based on the information provided by the caller during triage of the 999 call and this may be different to what the ambulance crews find when they reach the patient.

The figures on the spreadsheet are based on a search of the postcode provided and deletion of responses to other businesses that share the same postcode.

I hope you find this information helpful.

If, for whatever reason you are unhappy with our response, you are entitled to pursue any dissatisfaction through South East Coast Ambulance NHS Foundation Trust's (SECAMB) Internal Review Procedure at:
