Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/17/03/16.

You requested the following information:

How many non-UK EU nationals employed as full-time staff left their posts (e.g. either or resigned or quit) in the years 2014, 2015 and 2016?

Please can I have this information broken down by HCHS doctors, nurses and health visitors and other staff?

Please see the table below which shows the requested information.

As we are an ambulance service, the job roles involved all fit in to the 'other' category as referred to in your question.

According to the analysis received there was a total of 901 full time leavers who left the organisation voluntarily. Out of these there were 99 occasions where the nationality field had not been completed. Therefore, it is possible that the figures quoted above may not reflect all of the non – UK EU Nationals who have left during the requested period.

To put the leaver figures in to context please see the number of non-UK EU nationals who have started working for SECAMB during the same period.
