Dear

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/17/03/36.

You requested the following information:

**Is it possible to obtain a list of defibrillators the ambulance service knows about and the date they were registered with you please?**

Please see the link to this information which can be accessed via our website.

[http://www.secamb.nhs.uk/our\\_services/public\\_access\\_defibrillators.aspx](http://www.secamb.nhs.uk/our_services/public_access_defibrillators.aspx)

Unfortunately we don't hold historical information on the dates AEDs were registered with us so we are unable to provide this, but the number of AEDs being registered with us has increased annually.

I hope you find this information useful.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:

Yours sincerely
