

Ambulance and Emergency Response Vehicle MOT

Please can you provide me with the following information regarding the cost of putting your fleet of emergency response vehicles through their annual MOT.

Please can all responses be broken down by calendar year (as per the grid)

Question 1:

How many emergency response vehicles were operated by your ambulance service over the last five years.

Please note: *Non-Ambulance emergency response vehicle* refers to any vehicle (other than an ambulance) that uses blue lights to get to an emergency.

Year	Number of Ambulances	Number of non-ambulances emergency response vehicles	Total Number of vehicles
2012	235	118	353
2013	234	125	359
2014	287	183	470
2015	305	247	552
2016	302	254	556

Question 2:

The number of emergency response vehicles put through an MOT, and the number that failed their MOT.

Please note: If a vehicle was put through an MOT and failed, and had work done before being re-tested and subsequently passing, please record this as one MOT test and one fail.

Year	Number of Ambulances put through MOT	Number of Ambulances that failed their MOT	Number of non-ambulances emergency response vehicles put through MOT	Number of non-ambulances emergency response vehicles put through MOT that failed their MOT
2012	235	No Recorded info	118	No Recorded info
2013	234	No Recorded info	125	No Recorded info
2014	287	No Recorded info	183	No Recorded info
2015	305	No Recorded info	247	No Recorded info
2016	302	No Recorded info	254	No Recorded info

Question 3:

What was the cost of putting all vehicles through their MOT, plus any additional costs for work needed to vehicles that failed their MOT?

Year	Total Cost to put all ambulances through their MOT	Total additional Costs to repair ambulances that had failed their MOT	Total Cost to put all non-ambulances emergency response vehicles through their MOT	Total additional costs to repair non-ambulances emergency response vehicles that had failed their MOT
2012	£145,631.44	No Recorded info	£46,166.57	No Recorded info
2013	£213,785.93	No Recorded info	£95,601.74	No Recorded info
2014	£273,571.19	No Recorded info	£103,831.54	No Recorded info
2015	£328,670.07	No Recorded info	£126,259.99	No Recorded info
2016	£365,478.59	No Recorded info	£102,706.78	No Recorded info

Question 4:

How many times was an emergency response vehicle driven (in a blue light response situation) without a valid MOT certificate?

Year	Number of times an ambulance was driven without a valid MOT certificate	Number of times a non-ambulances emergency response vehicle was driven without a valid MOT certificate	Any additional relevant information
2012	No Recorded info	No Recorded info	To our knowledge no vehicles but we have no recorded information to report on
2013	No Recorded info	No Recorded info	To our knowledge no vehicles but we have no recorded information to report on
2014	No Recorded info	No Recorded info	To our knowledge no vehicles but we have no recorded information to report on
2015	No Recorded info	No Recorded info	To our knowledge no vehicles but we have no recorded information to report on
2016	No Recorded info	No Recorded info	To our knowledge no vehicles but we have no recorded information to report on
