Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/17/05/13.

You requested the following information; please also see our response below:

**“Could you please advise how many collisions occurred involving a Community First Responder who was Travelling to an emergency call**

- a. during 2014
- b. 2015
- c. 2016

**2. Travelling home from emergency call.**

- a. during 2014
- b. 2015
- c. 2016”

CFRs do not drive Trust vehicles and are therefore responsible for their own vehicles. In the event of a collision whilst responding, they would notify EOC and this would be entered into the incident as free text. We would not be able to extract this information as the text entered does not have any specific key words that we could search.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:

Yours sincerely
