Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/17/06/12

You requested the following information, please also see our response below:

I am a paramedic student writing my dissertation about benzodiazepines. I am trying to find out which (if any) ambulance services carry buccal midazolam or if they carry rectal diazepam. If so, which level of practitioner carries them?

The trust does not carry buccal midazolam. However, we do carry rectal diazepam and it is in scope of practice for Paramedics, Paramedic Practitioners and Critical Care Paramedics.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:

FOI@secamb.nhs.uk

Yours sincerely

Freedom of Information Coordinator
South East Coast Ambulance Service NHS Foundation Trust
