Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/17/06/37.

You requested the following information, please also see our response below:

Can you please tell me how many ambulances were sent (and whether they just attended or transferred to hospital) to the University of Surrey for Alcohol Intoxication between Sept2015-June2016 and Sept 2016-June 2017.

Please find below information regarding SECamb Emergency Response incidents to the University of Surrey (Post code GU2 7XH), using the following search criteria: Alcohol Intoxication, Alcohol Intoxication/Related, Alcohol Related.

	Emergency Responses	Emergency Transports to Hospital
01 Sep 2015 - 30 Jun 2016	7	4
01 Sep 2016 - 30 Jun 2017	0	0

Please note the 'Type of Incident' is the problem nature as determined by the call taker, and not a diagnosis, what was found when a crew arrived on scene or what the patient was treated for at hospital.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:

Yours sincerely
