Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/17/07/15.

You requested the following information, please also see our response below:

Is it a requirement for all ECSW's, technicians and paramedics that work for SECAMB (or the private providers that SECAMB use) to hold IHCD BTEC Level 3 blue light driving qualifications or the equivalent? Please specify which qualifications would be considered equivalent.

Yes, it is a requirement. The equivalent qualification we accept to the IHCD Level 3 in Ambulance Emergency Driving is the FutureQuals Level 3 Certificate in Emergency Driving (L3CERAD)"

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:

Yours sincerely
