Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/17/11/43.

You requested the following information, please also see our response below:

**The details of your use of body cameras in your organisation –**

**Does anyone (staff or contractors) in your organisation use/wear body cameras or body worn video recording devices while performing their duties?**

**If yes, please detail:**

**Who provides the body cameras and footage/evidence management used by your organisation?**

**How many staff members use body cameras and what capacities/teams do they work in? Are they staff or contractors (for e.g. outsourced security personnel) How many body cameras in all are currently owned and/or used by your organisation?**

**Were the cameras bought as a one off purchase and if so, how much did they cost your organisation?**

**If they are part of an ongoing contract - what is the current contract term (how long is it and when does it expire) and what is the value of said contract?**

**Where is the data recorded stored – on premises locally or on cloud?**

**Who is the point of contact for your body camera programme?**

We do not operate body cameras within our Trust.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:
