Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/17/11/39.

You requested the following information, please also see our response below:

**Would I please be able to request the information on road traffic crashes in Kent?
Specifically, what percentage of ambulance call outs are for RTC'S in Kent?**

Could I request this information for all possible years, 2014, 2015, 2016

Year	SECamb Emergency Responses to RTCs in Kent & Medway*	SECamb Total Emergency Responses in Kent & Medway	SECamb Emergency Responses to RTCs in Kent %
2014	3715	253523	1.5%
2015	3541	258133	1.4%
2016	3176	281396	1.1%

*This data above relates to calls in the following problem/natures:

- RTC
- RTC – Difficult Access
- RTC – Entrapment
- RTC – Moderate/Major Injury
- RTC – No/Minor Injury
- RTC – Rollover
- RTC – Service Vehicle Involved
- RTC – Unconscious/Arrest
- RTC – 1st/2nd Party
- RTC – 3rd/4th Party

Please note that the problem nature is determined by the call taker, and not a diagnosis, what was found when a crew arrived on scene or what the patient was treated for if conveyed to hospital

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:
