Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/02/09.

You requested the following information, please also see our response below:

**I would like please to request information under the freedom of information act with reference to your trusts policy on the decommissioning/sale of used equipment specifically the below points.**

**- Details of all equipment sold/disposed of by your trust in the past 3 years (not including vehicles) to include if applicable serial numbers of the fore said equipment. (I appreciate this may be considered manifestly inappropriate due to the potential volume of information however a formal confirmation from your trust either confirming or denying that such a list exists and that it does indeed include specifics i.e. serial numbers shall suffice) if you are unable to formally confirm this I am happy to pay any disbursement costs associated with the coalition of the full details.**

I can confirm this information does exist but to collate the information would exceed the time limits set out in Section 12

**- Evidence held on file showing that you contact the manufacturers directly to inform them you are no longer the owners of the fore said equipment, in the event this is not the case a simple reply stating you do not do inform them of change of ownership shall be acceptable**  
Yes, we do contact manufacturers directly to inform them if equipment is sold/disposed of

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:

Yours sincerely
