Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/04/21.

You requested the following information, please also see our response below:

Does your Trust advocate the use of insulin administration by paramedics, for the management of diabetic ketoacidosis (DKA)?

SECamb does not provide insulin to paramedics for the treatment of patients with DKA. Should the evidence base provide a basis for future advocacy of this treatment, it will be considered by the senior clinical leadership team, and the medicines governance team, in the usual way.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Manager via the following email address:

FOI@secamb.nhs.uk

Yours sincerely

Freedom of Information Coordinator
South East Coast Ambulance Service NHS Foundation Trust
