Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/06/02.

You requested the following information, please also see our response below:

Please can you advise me how many Blood Glucose Monitor stabbers are used by each OU in the past 2 years.

The requestor confirmed that by 'Blood Glucose Monitor stabber' they are referring to the lancets used to perform Blood Glucose Monitor tests

The Trust does not keep data down to the level of issue requested, as the consumables budget is a centrally held budget.

We can therefore only supply data broken down by month and county for the last financial year (2017-18).
