Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/08/14.

You requested the following information, please also see our response below:

I'm trying to put together a definitive map of UK Ambulance Trusts by postcode but this information amazingly doesn't seem to be available anywhere.

Please could you provide a list of Postcodes and if available a map of the SECAMB area. If you have this information on other trust areas le a national list of postcodes broken down by trust and a map then that would also be much appreciated.

Please find attached a list of postcodes which are covered by South East Coast Ambulance NHS Foundation Trust. This shows the latest postcodes as well as older postcodes which may not exist now, but have been included for legacy purposes.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Lead via the following email address:

Yours sincerely
