Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/09/10.

You requested the following information, please also see our response below:

I would be grateful if you could provide me with the Job Description and Banding information for any role in your Trust where the role requires 'Line Managing', of others. I'm mainly interested in roles at Afc4-7 within 'Operations', including frontline services, emergency operations centre / Control Room, Patient Transport Service and any other 'non-emergency' transport dispatched to your patients

The following job titles fall within Afc 4-7 within operations as requested. However, there is no way we can determine whether these include line managing of others without going in to each individually which would exceed 18hours and is therefore exempt under Section 12 – FOI (appropriate limit and fees) Regulations 2004. We have also attached the job descriptions for those in red
