Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/10/20.

You requested the following information, please also see our response below:

I would like to know who by role (not name) manages the selection, servicing, maintenance and supply of medical equipment on behalf of the Trust and what their AFC banding is. It is expected that they are also the main contact for issues via MHRA, CQC and being the subject matter expert (SME) on all matters pertaining to medical equipment.

Head of Logistics (Band 8a) manages supply and maintenance, contact for MHRA and SME etc.

Business Support Manager (Band 7) chairs the Clinical Equipment & Consumables Sub Group where decisions are made collaboratively by the group for the selection, servicing, maintenance and supply of medical equipment.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Lead via the following email address:

Yours sincerely
