Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/11/43.

You requested the following information, please also see our response below:

The number of ambulance breakdowns in Sussex while transporting patients in the past year

Between the 1st December 2017 and 30th November 2018 there were 17 breakdowns.

Please note this data has been collated using requests for back up after leaving scene, there will be instances which may not be identified through this method. We have also used 'Sussex' as the location of the incident, rather than the location of the breakdown.

During the same period we responded to 235438 incidents and conveyed the patient on 150078 occasions.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Lead via the following email address:

Yours sincerely
