Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/11/46.

You requested the following information, please also see our response below:

**The total number of incidents which contain the term 'rectum' over the last 5 years**  
Please see table below:

Calls	Responses
2757	1911

This data has been obtained using a free text search for the term 'rectum'.

Please note this may not be a true reflection of calls as there may be cases where this term is mentioned within the text but does not relate to the incident itself and may relate to something else i.e. patient's medical history

There may also be cases where this has not been mentioned on the initial call and is therefore not documented within the notes

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Lead via the following email address:

Yours sincerely
