Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/12/04.

You requested the following information, please also see our response below:

Can I please request a sample contract and job description for the Paramedic Practitioner role and student Paramedic Practitioner if such a thing exists.

In order to apply to become a Paramedic Practitioner individuals must have successfully completed at least 2 years of full time frontline ambulance work (on application) as a qualified HCPC Registered Paramedic and be in a band 6 (Experienced Paramedic) role.

The route would be Student Paramedic, once qualified they would be a Newly Qualified Paramedic (NQP). After 2 years they class as an experienced Paramedic and can apply once they have 2 years at band 6.

Please find attached a confirmation letter which is sent out at offer stage for the Student Paramedic Practitioner pathway, and also the job description. There is no specific paramedic practitioner contract as it is an educational pathway.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Lead via the following email address:

Yours sincerely
