Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/18/12/19.

You requested the following information, please also see our response below:

1. How many members of clinical staff do secamb employ who are trained/able to solo respond to calls?

1793 head count

2. How many members of clinical staff are employed that regularly solo respond? For example critical care paramedics, paramedic practitioners, SORT, any level of staff on a line/rota that is majority solo response.

Could the data please be broken down into numbers for each job role?

980 Paramedic based roles

158 Paramedic Newly Qualified Paramedic's (may or may not be able to solo respond dependant on what stage of training that they are at)

51 Paramedic Practitioners

63 Critical Care Paramedics

391 Technicians

41 Clinical Supervisors

109 managers

Please note the above is headcount of contracted employees and does not include those on bank contracts

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Information Governance Lead via the following email address:
