Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI/19/01/48.

You requested the following information, please also see our response below:

Do you mind sending me a number of how many 12-lead ECGs were performed in one year across your ambulance service please? I would prefer the data to be recent so any data post 2015 would be great.

There were 259,736 12-lead ECGs undertaken in the financial year 2017/18.

As all PCR's are scanned and only certain fields are validated the data above may not be completely accurate.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

FOI@secamb.nhs.uk

Yours sincerely
