Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI **20/01/37**.

You requested the following information, please also see our response below:

I am currently embarking on a research project around Cyber Security and was hoping you could provide me with some contract information relating to following information:

You may have received the same request in the past and this information sent has now expired and I require an update as soon as possible for the following information:

- 1. Standard Firewall (Network) - Firewall service protects your corporate Network from unauthorised access and other Internet security threats**
- 2. Anti-virus Software Application - Anti-virus software is a program or set of programs that are designed to prevent, search for, detect, and remove software viruses, and other malicious software like worms, trojans, adware, and more.**
- 3. Microsoft Enterprise Agreement - is a volume licensing package offered by Microsoft.**

The information I require is around the procurement side and we do not require any specifics (serial numbers, models, location) that could bring threat/harm to the organisation.

For each of the different types of cyber security services can you please provide me with:

- 1. Who is the existing supplier for this contract?**
 - a. This is exempt under Section 31(1)(a) Prevention or detection of Crime
