Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 20/02/07

You requested the following information, please also see our response below:

How many patients have received an iron infusion in the last 12 months?

How many patients have been treated with Monofer and how many with Ferinject?

What was the average weight of these patients?

How many patients required more than 1 gram of iron?

How many nurses and for what days and hours are your Iron infusion clinics available?

As an Ambulance Trust we do not provide iron infusions and do not use Monofer or Ferninject, therefore we are not able to answer the questions within your Freedom of Information request.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
