Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 200217

You requested the following information, please also see our response below:

I was wanting to know if South East Coast ambulance use magnesium sulfate in the treatment of pre-eclampsia/eclampsia?

Our critical care paramedics carry magnesium sulphate 4g with a further 2g if required for eclamptic patients.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:
