Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 200329.

You requested the following information, please also see our response below:

I am trying to find some figures for the number of Emergency Vehicles in current use in the UK.

Initial it is the number of ambulances and Vehicles that have a Lightbar, that I am interested in, but if you have list or statics on all emergency vehicles that would most appreciated.

Please find attached as per your request. Please note that we have provided list of all blue light vehicles in the trust totalling 651, however we do not have this information for the whole of UK.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
