Email:

Dear,

I am writing in response to your enquiry under the Freedom of Information Act 2000 (FOIA) reference FOI 200622.

You requested the following information, please also see our response below:

I am sending this request under the Freedom of Information Act to ask for the following information:

1) How many covid-19 related ambulance call-out requests did you receive from care homes between:

a) March 1st to April 15th

1392

b) April 15th to June 16th

3515

2) How many of the call-out requests referred to in Q1 did you send an ambulance to between:

a) March 1st to April 15th

1208

b) April 15th to June 16th

3342

For Question 1, values provided are based on number of incidents not number of callouts.

- Values provided are specifically related to Covid-19 and no other coronaviruses.

- Please note that not every coronavirus-related incident is a confirmed case and not every incident will be identified if this has not been recorded.
- Please note that these figures represent responses to the postcode provided for each care home. This means that potentially some responses may not be to a care home but an address or location with a matching postcode.

I hope you find this information of some assistance.

If for any reason you are dissatisfied with our response, kindly in the first instance contact Caroline Smart, Head of Information Governance via the following email address:

Yours sincerely
